SUNDERLAND LIONS CLUB

“SERVING OUR COMMUNITY”

A Message from the President of the Sunderland Lions Club

Welcome to the 64th Sunderland Lions Music Festival and to the second festival after the Covid-19 interruption. We are very excited to see the performers take the stage in April.

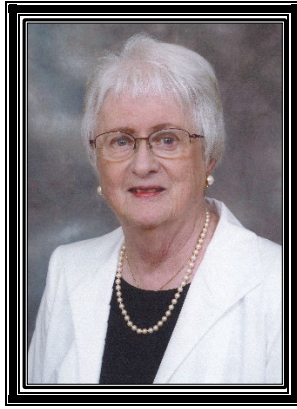

As president of the Sunderland Lions Club, it is a great privilege to be partnering with two important community groups for performing arts - The Sunderland Lions Music Festival and the Sunderland Lions Community Theatre. We have seen many children grow through music and thus become the confident children we all like to see.

The annual Sunderland Lions Music Festival is an important part of the quality of life in Sunderland and surrounding communities. During the three festival weeks, people of all ages come and enjoy the musical performances in our historic Town Hall. It's hard not to reflect on how many children have performed here and discovered the amazing acoustic properties in the Town Hall auditorium. Whatever music the performers opt to do in their future, they will surely treasure the memories of being on stage performing musical art at the Sunderland Lions Music Festival.

Finally, I'd like to extend a heartfelt thank you to the committee members who have devoted countless hours in preparation of this festival. Without your dedication and passion, the festival would just not happen. Also, I extend my sincere appreciation to the many donors and sponsors who have generously contributed to our festival again this year.

*Ralph Maleus

Anne Link

The 2024 Sunderland Lions Music Festival is dedicated to the memory of Anne Link, BA 1961, ARCT Piano 1984.

Anne came to the Beaverton area in the early 1970's and was a substitute teacher at Brock High School. Her love of music led to her degree as a piano teacher and subsequently, she prepared many students for participation in our festival year after year. Her students excelled under Anne's mentorship earning exceptional marks in Royal Conservatory exams, receiving various awards in Sunderland and other local music festivals. Anne served the SLMF piano selection committee as chair for several years. She also shared her talents as a church organist primarily in Beaverton.

Anne became an examiner/adjudicator with the Royal Conservatory, Toronto, travelling across Canada as a highly regarded piano contributor. She maintained her own piano teaching studio until her passing, teaching her students virtually during the pandemic. A true sign of her dedication to her students and promotion of music.

The Sunderland/Beaverton area is very fortunate to have had such a dedicated music educator. Anne will be sadly missed but fondly remembered for her love of music and her generosity in sharing her gift of music with everyone.

Melody Thomas

Vocal Adjudicator

12-year old Melody Thomas wanted to be a professional flautist until joining several choirs as a teenager and discovering that her true love is actually singing. After an internal struggle between her interest in psychology and how brains work versus her passion for music, Melody fell into teaching voice and discovered a path that feels like the best of both.

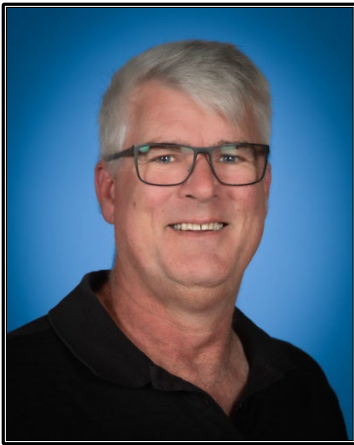

Melody received her Honours Bachelor of Music at the University of Toronto followed by an Opera Diploma at Wilfrid Laurier. Embarking on her private teaching journey, Melody soon discovered that her studio would not be filled with younger versions of herself – quelle surprise! She threw herself into professional development in such diverse topics as contemporary style and mic technique, adolescent voices, choral conducting, vocal distortion, trauma-informed teaching, neurodiversity, vocal jazz, somatic bodywork, and more, and continues to be endlessly curious as both a singer and a teacher. She has also become passionate about mentoring other teachers and expanded into a multi-teacher studio in 2021 to offer guitar, bass, and ukulele. Melody is proud of having built a studio of knowledgeable, progressive, dedicated, and fun teachers who provide support, learning, and growth opportunities to a community of eager musicians of all ages.

Melody has become the most sought-after vocal teacher in the Kawarthas and beyond and hardly a musical event goes by where members of her studio cannot be found. Graduates of the Melody Thomas Music Studio have gone on to pursue music education at renowned institutions such as the University of Toronto, The Glenn Gould School, The University of Western Ontario, Sheridan College, and Randolph Academy. She has held music educator positions with Stagecoach Theatre Arts, Lakefield College School, and the Peterborough Children’s Chorus, as well as collaborating with countless school, church, and community groups and adjudicating numerous festivals.

As a performer, Melody’s opera debut was singing the role of Nora from Vaughan Williams’ *Riders to the Sea* with the Halifax Summer Opera Workshop, and her performance was praised by Opera Canada magazine. Favourite roles since include Susanna in Mozart’s *The Marriage of Figaro*, and the titular role in Carlisle Floyd’s *Susannah*. (She clearly found a passion for being Susanna[h]!) For over a decade, Melody has collaborated with choirs and orchestras across Canada and delighted audiences with her performances of Bach, Handel, Mozart, Mendelssohn, and more.

When she isn't performing or wearing her Studio Queen Bee hat, Melody can be found caring for her needy dog and cat and jungle of plants, playing board games, running, frolicking in nature, rock climbing, or painting her fingernails, and continually lamenting that those last two hobbies cannot co-exist.

Lyle Corrigan *Instrumental Adjudicator*

Lyle was born and raised in Scarborough, and is a graduate of York University, where he studied classical trombone performance and music education. After his graduation in 1993, Lyle received his Bachelor of Education from Nipissing University, and his Honours Specialist in Music from the University of Toronto.

Lyle recently retired from a 30-year teaching career. He began his teaching career in Durham region where he taught grade 4 & 5 general music and grade 6, 7, & 8 Instrumental Music. In 2000, Lyle began teaching in York Region at Markville Secondary School and James Robinson Public School, where he taught at the primary, junior, intermediate, and senior levels of education, in disciplines that varied from instrumental and vocal music through to music theatre and jazz. Most recently, Lyle was Department Head of Music at Bur Oak Secondary School, a position he held for 8 years. Over the course of his career, Lyle's bands and choirs received many local, regional, and national accolades. Most recently, Lyle has assumed the role of Bandmaster with the Whitby Brass Band. In addition to his conducting duties, Lyle is an active musician, actor, performer, clinician, and adjudicator, and is currently involved with several local theatre groups as a director, music director, and technical director.
